## \* THE \* MONTPELIER CRACKERS

Have always borne the reputation of being THE BEST IN THE WORLD. WHY?

BECAUSE—The old firm of C. H. Cross and C. H. Cross & Son have made them for 60 years.  
BECAUSE—The same workmen have baked them in the factory for 30 years.  
THEN AGAIN—The best of all is, they are baked in ovens with soapstone bottoms, which keeps them moist, crisp and tender a great while longer than if baked in ovens with iron bottoms. As good crackers cannot be baked on iron as on soapstone. Be sure to call for "MONTPELIER CRACKERS," and you get the finest there are made.
